

User Agreement and Information Disclosure

Nimbus Application User Agreement

This user agreement (“Agreement”) applies between Nimbus mobile application (“Application”) and each user (“User”) of the Application and provides information about the processing of personal data and the rights and obligations related to the Application. Please carefully read this agreement before using the services provided by the Nimbus Application.

1.

Definitions

- **Nimbus Application:** A mobile application where users can take and share notes anonymously.
- **User:** The individual who uses the Nimbus Application.
- **Personal Data:** Personal information of the User, including identity, location, contact details, and other personal data.

2.

Data Collection and Purposes of Use

Nimbus Application collects certain personal data for the purpose of improving the activities and experiences of the User within the application. This data may include:

- **Location Data:** When the User grants location permissions to the Application, the application may collect location data, but only when necessary, for example, to provide location-based content or services. These data will only be processed when necessary and will not be shared with third parties.

Personal data will be used solely for the purposes of providing the services of the application, improving performance, enhancing user experience, and fulfilling legal obligations.

3.

Data Processing and Sharing

Nimbus Application may process personal data for the following purposes:

- To provide the services of the Application and offer a personalized experience to the User,
- To fulfill legal obligations (e.g., tax and financial reporting),
- To communicate with the User (e.g., notifications and service updates),
- To enhance the User experience and analyze data.

Nimbus does not share, rent, or sell User's personal data to third parties. User data may only be shared with third parties when there is a legal requirement or with the explicit consent of the User.

4.

Data Security

Nimbus takes all necessary technical and administrative measures to protect the personal data of Users. The security of the data is ensured according to the security protocols of the Application and its infrastructure. However, since the transmission of data over the internet cannot be completely secure, users should immediately contact Nimbus in case of any security breach.

5.

User Rights

Users have the following rights under the Turkish Personal Data Protection Law (KVKK):

- Right to access personal data,
- Right to correct or delete personal data,
- Right to object to the processing of personal data,
- Right to request the portability of personal data.

To exercise these rights, you can contact Nimbus.

6.

Use of Location Data

Nimbus Application only collects location data when necessary. This data may be used:

- To provide location-based content or services,
- To improve the functionality of the Application,
- To fulfill legal or regulatory obligations.

Location data will only be processed when necessary and will not be shared with third parties. The application will use location data only based on the explicit consent of the User.

7.

Malicious Content and Legal Obligations

Nimbus Application expects its Users to use the application in compliance with laws, ethical standards, and the terms of use of Nimbus. Users may not use the application for:

- Sharing malicious content (e.g., hate speech, defamation, unauthorized disclosure of personal data),
- Sharing illegal or unethical content.

In case of such violations, Nimbus reserves the right to report the relevant malicious content and the user to the competent legal authorities and initiate necessary legal actions. Nimbus may provide necessary data about such content to the relevant authorities for legal compliance.

8.

Application Updates

Nimbus may periodically update the Application to improve its functionality and enhance the User experience. Users will be informed about updates.

9.

Acceptance of Terms

By continuing to use the Nimbus Application, the User acknowledges that they have read and accepted this Agreement and the personal data processing policies of

Nimbus. This Agreement may be updated by Nimbus from time to time. The updated Agreement will be notified to Users through the Application.
